3rd District

Committees

Dear Friend,

As you may know, it is my pleasure to serve on the Joint Committee on the Library that has oversight over the Library of Congress.

In that capacity, I have just been notified of an exciting opportunity for college students from the 3rd District of California. The Library of Congress—the largest library in the world and considered by many to be the most beautiful building in Washington—is offering a paid summer internship.

Summer interns, working with curators and the collections of the Library of Congress, will be exposed to a broad spectrum of library work: preservation, reference, access standards, information management, and the United States copyright system.

Although there is a regular application process through the Library of Congress, I have been afforded the opportunity to nominate an undergraduate or graduate student.

To apply, follow the instructions at <http://www.loc.gov/hr/jrfellows/about.html#process> exactly **except** email the completed application (and letters of recommendation) to loc.internship@mail.house.gov, where a member of my District Office staff will review the application. The deadline for applications to my office is **April 9**.

Please be sure to **forward this email** to friends and family who may know of someone who would be interested in this internship.

More information about the internship is available at <http://www.loc.gov/hr/jrfellows/>.

I appreciate the opportunity to serve you. If you have any questions, or if you are in need of assistance on another matter, please feel free to contact my District Office staff in Gold River at (916) 859-9906.

Sincerely,

Daniel F. Lungren
